Moreover, students will receive instruction to prepare them to pass the GED® (in Spanish).

Students and parent(s)/guardian(s), in partnership with a staff member from the Success Management Academy, as participating members of this program agree to the following:

OFFICE INSTRUCTIONS FOR DATA INPUT FORM

It is the responsibility of school site staff to make the registration process as pleasant as possible for new students. Assistance should be available at all times for students who fill out this form. The following instructions deal with several issues that relate to data which is normally filled-in or verified by office staff. This data input form is an auditable document. **Please ensure that the student signs the form to affirm that all of the information presented is true.**

PERSONAL INFORMATION

Social Security Number

It is of prime importance that a SSN be collected. However, it cannot be required for enrollment. Students should be informed of the funding benefits to the school and the special programs that may be available (i.e. financial aid), if an SSN is disclosed. Remember that any of the following documents is acceptable proof:

- An original Social Security Card with the student's legal name
- Preprinted IRS W-2 Form with the student's legal name
- Pay stub from an employer with the SSN and the student's legal name preprinted

Citizenship Status

This information is **optional and self-reported (no documentation necessary)**. Students should be reassured that the information is used only for summary purposes. If a student does not wish to report his/her status, make sure the "Not Reported" box is marked and the appropriate code is entered in VACS.

Directory Information

If the student marks the box denoting he/she does not wish his/her directory information released, please mark Directory Release in VACS as "N" on the Student Biographical screen.

Language

The three questions listed (META) are essential. They help determine the student's LEP status which must be entered in VACS along with the META question answers (BIO screen).

EDUCATION

This section contains mandatory data elements that must be entered in VACS. Enter the code (see FM-6617) in VACS that corresponds with the student's responses.

EMPLOYMENT AND BACKGROUND

Program Enrollment Type

Select the box (es) that correspond with the program(s) in which the student will be enrolled.

Residency

Refer students that have no Residency ID codes in VACS to the Verification of Florida Residency for Tuition Purposes (FM-7425). This is **mandatory if they are enrolling in a Career and Technical Education (CTE) Program**. This process should also be followed for Adult General Education (AGE) students that can provide proof of Florida residency for tuition purposes at the time of registration, should they decide to enroll in CTE programs in the future. AGE Programs include (ABE) Adult Basic Education, ESOL (English for Speakers of Other Languages), Citizenship, GED (General Education Development), High School Completion and AAEE (Applied Academics for Adult Education). **NOTE: School staff is responsible for verifying that the documents provided fulfill the requirements outlined in FM-7425. School staff is also responsible for filling in the blanks for ID 1 and ID 2 on the DATAINPUT form. Both fields MUST be filled in for Florida Residents and left blank for non-Florida Residents.** Students that are enrolling in Community School for fee based and/or non-fee based classes do not require residency codes.

Military Status

Indicate the appropriate status code (see FM-6617).

LEP Status

A counselor (or other qualified staff member) should administer the Oral Interview Instrument to determine if the student is LEP. **Only students that answer at least one of the META questions as "yes" should be administered the instrument.**

Student Goals

The immediate short-term goal or goals of the student must be ascertained by staff and entered into VACS (in any order) as one of the following on initial intake and upon any transition in coursework which would denote a change in goal (i.e., movement from ESOL to ABE).
